

**Pregnant? No Insurance?
Need Medicaid for Prenatal Care?**

We offer Medicaid Presumptive Eligibility for Pregnant Women (PEPW). This provides temporary Medicaid and access to immediate prenatal care at the Orange County Health Department. During this coverage period, your regular Medicaid eligibility will be processed.

Call today for your appointment. It's Convenient! Fast! Easy!

Important Message: Babies born to women who smoke during pregnancy have about 30% higher odds of being born prematurely, are more likely to be born with low birth weight increasing their risk for illness or death, and are 1.4 to 3.0 times more likely to die of Sudden Infant Death Syndrome (SIDS). Ready to quit smoking? Contact the Florida QUITLINE at 1-877-822-6669. This tobacco message made possible by funding from the Department of Health and Human Services.
